

EVOKE'S SPRING HIGHLIGHTS

We hosted a SET Breakfast alongside Squires Planning and Thrings at The Vineyard. Emmaline Lambert from Cornerstone Barristers gave an insightful view on the NPPF changes, greenbelt / greybelt and recent Appeal case law. This was followed by a lively debate from our panel Mark Campbell, David Fletcher and Fred Quartermain compered by Richard Stacey. Keep an eye out for our next event!

Evoke Annual Away Day

We may not have escaped the room, but we definitely had a blast at Escape Hunt Cheltenham! Great food at Brasserie Blanc, stylish stay at The George, fantastic company and lots of laughs along the way!! We look forward to visiting Cheltenham again soon 🎉

SET Breakfast

Arrow/Evoke CPD

Evoke headed to Arrow Planning to do a CPD on all things transport planning. Nothing like a good meal to wrap up a (hopefully) useful afternoon. Great to spend time with the Arrow team and thanks to all for listening to us! Look forward to your planning CPD soon. Want a CPD of your own? Please do get in touch!

Jon Williams LSA

We're thrilled to celebrate Jon Williams on receiving a Long Service Award. Jon has been with Evoke since day one, and his dedication, hardwork, and unwavering commitment have been instrumental to our journey. Congratulations Jon!
